Be sure to tell them you are with the Trailmanor Rally. They will be holding a group of sites for us near their open-air pavilion until September 27. After that the sites will be released to general reservations. The showers and laundry are beside the pavilion. The nightly rate will be \$50, which includes a 15% discount for staying 4 or more nights. A one-night deposit is required to hold your reservation.

We will be supplying dinner on Wednesday, breakfast on Sunday, and coffee each morning.

More details will be in the January 2025 Tidings.
